PROJECTS

SupheroShowDown | <https://github.com/Colin-Cunningham/superheroshow> |
<https://superheroshowdown2020.herokuapp.com/>

- Ever wondered who would win in a fight between Superheroes? Then this app is for you! Simply type in two superheroes (or villains) and see who would win!
- Worked as a client for a Youtube channel who wanted more than just a place to put up his current content. Created the application to meet the client needs, and made it scaleable for adding new content daily.
- ReactJS, Javascript, HTML5, Materialize, CSS3, RestfulAPI, MongoDB

Athlestat | <https://athlestats2020.herokuapp.com> | <https://github.com/Colin-Cunningham/Athlestats>

- A Progressive Web App that utilizes a full MERN stack.
- Worked within react router dom, to create an application that supported highschool football teams in creating and managing rosters.
- HTML5, Javascript, ReactJS, MongoDB, Mongoose, Express, NodeJS, JWT

EXPERIENCE

SUMMER INTERN (RECORD MANAGEMENT)

LAW FIRM: CARMODY, TORRANCE, SANDAK & HENNESSEY: LLP

Worked with attorneys updating records into their new file-management system. Was entrusted to input confidential files into a new online file management system so they can be accessed easily. Along with that worked with attorneys to help with everyday tasks, and assisted with general office duties.

College and Career Coach (Overbrook Highschool)

2019 – 2020

PromiseCorps

West Philadelphia,

PA

Worked with highschool students on developing their post-secondary road map, whether it be college, technical school, or entering the job-force, functioning very similarly to a school guidance counselor. Duties involved communicating effectively with superiors, de-escalation techniques, conflict resolution, event and trip planning, counseling, tutoring, and interpersonal skills.
